

WP-MH-136

HDMI + USB-C Wall Plate

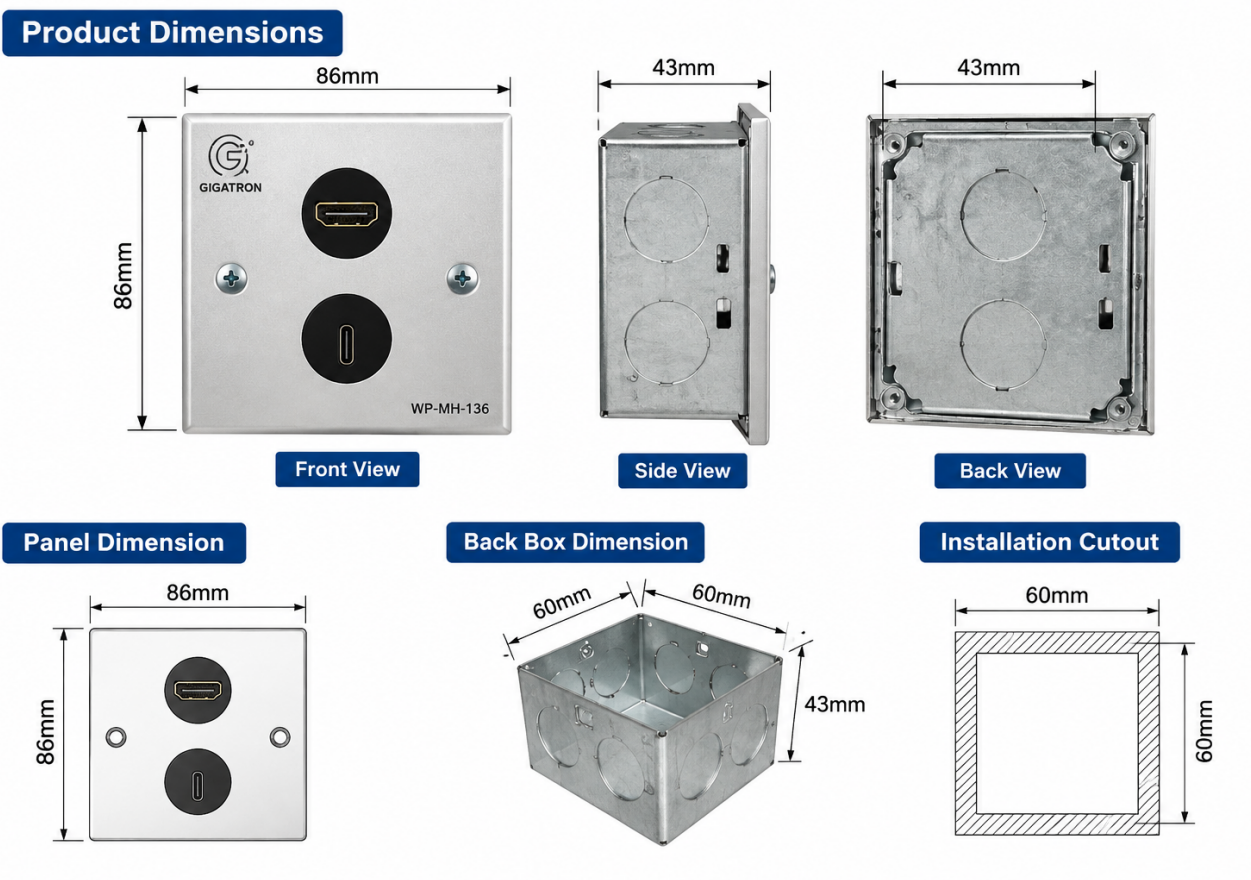

Product Overview

The WP-MH-136 is a single-gang HDMI + USB-C wall plate for clean and professional AV installations. It features one HDMI female port and one USB-C female port with a silver aluminium-alloy panel.

Specification	Details
Product Type	HDMI + USB-C Wall Plate
Model	WP-MH-136
Panel Size	86 × 86 mm
Panel Material	Aluminium Alloy
Panel Colour	Silver
HDMI Port	1 × HDMI Female Port
HDMI Cable	1 × HDMI 30 cm F-F Cable
USB-C Port	1 × USB-C Terminal to Terminal
Back Box	Switch Back Box
Wall Plate Design	Single-gang wall plate
Mounting	Screw-mounted installation

Product Dimensions & Reference Drawing

The following technical-style illustration is included in the manual to visually explain the product dimensions and installation form factor. The confirmed WP-MH-136 panel size is **86 × 86 mm**.

Dimension / Item	WP-MH-136 Reference
Front Panel	86 × 86 mm
HDMI Connection	1 × HDMI Female
USB-C Connection	1 × USB-C Female / Terminal
HDMI Cable	30 cm F-F

Technical note: Only dimensions explicitly confirmed for WP-MH-136 should be used for fabrication. Any additional dimensions shown in the reference illustration should be verified against the final engineering drawing before installation.

System Connection Diagram

Typical HDMI connection arrangement:

HDMI SOURCE PC / Laptop / Media Player	WP-MH-136 Wall Plate 86 × 86 mm	DISPLAY Projector / TV / Monitor
HDMI OUT	HDMI 30 cm F-F Cable	HDMI IN

Signal path: HDMI source → WP-MH-136 HDMI port → 30 cm HDMI F-F cable → display/AV equipment.

Installation Steps

1. Prepare a suitable single-gang switch back box.
2. Position and align the WP-MH-136 wall plate with the mounting holes.
3. Connect the HDMI source to the wall-plate HDMI connection.
4. Connect the 30 cm HDMI F-F cable to the downstream display/AV equipment.
5. Connect a compatible USB-C device/terminal as required by the system.
6. Secure the wall plate with suitable screws.
7. Power on the system and verify the signal.

Important Notes

- Panel size: 86 × 86 mm.
- Panel material: Aluminium Alloy; colour: Silver.
- HDMI cable: 30 cm F-F.
- Verify USB-C signal/function compatibility before installation.
- Do not force connectors or modify internal wiring.
